RESUBMISSION OF TERMINAL DISCLAIMER

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Examiner's action mailed October 19, 2005, for the above-identified patent application, Applicant submitted terminal disclaimers to disclaim the terminal part of any patent granted on the instant application which would extend beyond the expiration dates of Patent Nos. 6,490,393 and 6,718,093 as presently shortened by any terminal disclaimers. The terminal disclaimer to disclaim the terminal part of any patent extending beyond the expiration date of Patent No. 6,718,083 erroneously identified a different patent in the second paragraph. The resubmitted terminal disclaimer filed herewith corrects the erroneous patent number identification that appeared in the second paragraph.

In view of the terminal disclaimer resubmitted herewith, Applicant respectfully requests a timely notice of allowance be issued in this case.

Sir:

The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the above-listed patent are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors, or assigns.
